Android App.

Sat, 03/09/2011 - 22:47 -- jpsnelson

Latest revision is version 2.0 - includes Fixtures and League Tables, Averages. Just download directly onto your Android phone from <http://www.adttl.co.uk/files/ADTTL.apk> and install.

NOTE: this app will use a data connection so is not recommended for a Pay-As-You-Go contract.
